

Partner with Ramsey County to

# SUPPORT IMMIGRANT & REFUGEE FAMILIES

Join us in a conversation and information sharing session as we:

- Reflect on what was accomplished in 2020 regarding Ramsey County's wrap around services programs to support immigrant families.
- Plan for 2021 funding opportunities to provide education, outreach, resource connections, referrals and other supports to immigrant families.

If you are interested in partnering with the county to provide any of these supports, we invite you to attend! Your insights, experience and expertise are invaluable.
